

# Against all Odds – Mariah Carey

How can I just let you walk away  
Just let you leave without a trace  
When I stand here taking every breath with you  
You're the only one who really knew me at all

How can you just walk away from me  
When all I can do is watch you leave  
'Cause we shared the laughter and the pain  
And even shared the tears  
You're the only one who really knew me at all

So take a look at me now  
'Cause there's just an empty space  
There's nothing left here to remind me  
Just the memory of your face

So take a look at me now  
When there's just an empty space  
And you're comin' back to me is against all odds  
And that's what I've got to face

I wish I could just make you turn around  
Turn around to see me cry  
There's so much I need to say to you  
So many reasons why  
You're the only one who really knew me at all

So take a look at me now  
There's just an empty space  
There's nothing left here to remind me  
Just the memory of your face

So take a look at me now  
'Cause there's just an empty space  
But to wait for you is all I can do  
And that's what I've got to face

Take a good look at me now  
'Cause I'll be standing here  
And you comin' back to me  
Is against all odds  
It's the chance I've gotta  
Take  
Hey yeah

Whoa  
Take a look at me now  
Mmmmh
