## I Want To Know What Love Is – Mariah Carey

I gotta take a little time

A little time to think things over

I better read between the lines

In case I need it when I'm colder

In my life there's been heartache and pain

I don't know if I can face it again

Can't stop now,

I've travelled so far To change

This lonely life

I wanna know what love is

I want you to show me

I wanna feel what love is

I know you can show me

I'm gonna take a little time

A little time to look around me

I've got nowhere left to hide

It looks like love has finally found me

In my life there's been heartache and pain

I don't know if I can face it again

Can't stop now,

I've travelled so far To change

This lonely life

I wanna know what love is

I want you to show me

I wanna feel what love is

And I know you can show me Show me,

I wanna know

I wanna know what love is

I want you to show me

I wanna feel what love is

I know you can show me

I wanna know what love is

Let's talk about love I want you to show me
