(Languishing) I Want to Know What Love Is – Mariah Carey

If you could only see
That I was not put here for you
To judge me and dispute my innermost truth
And after all these years of enmity, envy,
And tears

It's a shame you don't know me at all

I was wondering

Would you cry for me

If I told you that I couldn't breathe

If I was drowning, suffocating

If I told you that I couldn't breathe?

Those ancient buried recollections

We transform them and select them

You have yours, I have mine

That's fine

Why are we too torn to heal?

Our stitches never disappeared

I have mine, you have yours

I'm sure

I was wondering

(I've been wondering)

Would you reach for me

If you saw that I was languishing?

I was wondering

Would you cry for me

If I told you that I couldn't breathe?

If I was drowning, suffocating?

If I told you that I couldn't breathe?

I gotta take a little time

A little time to think things over

I better read between the lines

In case I need it when I'm colder, hey

In my life, there's been heartache and pain

I don't know if I can face it again

Can't stop now, I've traveled so far

To change this lonely life I wanna know what love is I want you to show me I wanna feel what love is I know you can show me I'm gonna take a little time A little time to look around me I've got nowhere left to hide It looks like love has finally found me In my life, there's been heartache and pain I don't know if I can face it again Can't stop now, I've traveled so far To change this lonely life I wanna know what love is I want you to show me I wanna feel what love is (Feel what love is) And I know you can show me, show me I wanna know I wanna know what love is I want you to show me (And I'm feeling so much love) I wanna feel what love is And I know you can show me I wanna know what love is Let's talk about love

I want you to show me
