

Coma White – Marilyn Manson

There's something cold and blank
Behind her smile
She's standing on an overpass
In her miracle mile
'Cause you were from a perfect world
A world that threw me away today,
Today, today
To run away
A pill to make you numb
A pill to make you dumb
A pill to make you anybody else
But all the drugs in this world
Won't save her from herself
Her mouth was an empty cut
And she was waiting to fall
Just bleeding like a Polaroid
That lost all her dolls
You were from a perfect world
A world that threw me away today,
Today, today
To run away
A pill to make you numb
A pill to make you dumb
A pill to make you anybody else
But all the drugs in this world
Won't save her from herself
You were from a perfect world
A world that threw me away today
A pill to make you numb
A pill to make you dumb
A pill to make you anybody else
But all the drugs in this world
Won't save her from herself
A pill to make you numb
A pill to make you dumb
A pill to make you anybody else

But all the drugs in this world
Won't save her from herself
