

# Coma White – Marilyn Manson

There's something cold and blank  
Behind her smile  
She's standing on an overpass  
In her miracle mile  
'Cause you were from a perfect world  
A world that threw me away today,  
Today, today  
To run away  
A pill to make you numb  
A pill to make you dumb  
A pill to make you anybody else  
But all the drugs in this world  
Won't save her from herself  
Her mouth was an empty cut  
And she was waiting to fall  
Just bleeding like a Polaroid  
That lost all her dolls  
You were from a perfect world  
A world that threw me away today,  
Today, today  
To run away  
A pill to make you numb  
A pill to make you dumb  
A pill to make you anybody else  
But all the drugs in this world  
Won't save her from herself  
You were from a perfect world  
A world that threw me away today  
A pill to make you numb  
A pill to make you dumb  
A pill to make you anybody else  
But all the drugs in this world  
Won't save her from herself  
A pill to make you numb  
A pill to make you dumb  
A pill to make you anybody else

But all the drugs in this world  
Won't save her from herself
