

# Diamonds are a girl's best friend – Marilyn Monroe

The French are glad to die for love  
They delight in fighting duels  
But I prefer a man who lives  
And gives expensive jewels

A kiss on the hand  
May be quite continental  
But diamonds are a girl's best friend  
A kiss may be grand  
But it won't pay the rental  
On your humble flat  
Or help you at the automat

Men grow cold as girls grow old  
And we all lose our charms in the end  
But square-cut or pear-shaped  
These rocks don't lose their shape  
Diamonds are a girl's best friend

Tiffany's!  
Cartier!  
Black, Starr, Frost, Gorham  
Talk to me, Harry Winston  
Tell me all about it!

There may come a time  
When a lass needs a lawyer  
But diamonds are a girl's best friend  
There may come a time  
When a hard-boiled employer  
Thinks you're awful nice  
But get that ice  
Or else no dice

He's your guy when stocks are high

But beware when they start to descend  
It's then that those louses  
Go back to their spouses  
Diamonds are a girl's best friend

I've heard of affairs  
That are strictly platonic  
But diamonds are a girl's best friend  
And I think affairs that  
You must keep liaisonic  
Are better bets  
If little pets get big baguettes

Time rolls on  
And youth is gone  
And you can't straighten up  
When you bend  
But stiff back or stiff knees  
You stand straight at... Tiffany's

Diamonds, diamonds  
I don't mean rhinestones  
But diamonds  
Are a girl's best  
Best friend
