

Teen Idle – Marina and The Diamonds

I wanna be a bottle blonde
I don't know why but I feel conned
I wanna be an idle teen
I wish I hadn't been so clean

I wanna stay inside all day
I want the world to go away
I want blood, guts and chocolate cake
I wanna be a real fake

Yeah,
I wish I'd been, I wish I'd been, a teen, teen idle
Wish I'd been a prom queen, fighting for the title
Instead of being sixteen and burning up a bible
Feeling super, super, super suicidal

The wasted years, the wasted youth
The pretty lies, the ugly truth
And the day has come where I have died
Only to find, I've come alive

I wanna be a virgin pure
A twenty-first century whore
I want back my virginity
So I can feel infinity

I wanna drink until I ache
I wanna make a big mistake
I want blood, guts and an angel cake
I'm gonna puke it anyway

Yeah,
I wish I'd been, I wish I'd been, a teen, teen idle
Wish I'd been a prom queen, fighting for the title
Instead of being sixteen and burning up a bible
Feeling super, super, super suicidal

The wasted years, the wasted youth
The pretty lies, the ugly truth
And the day has come where I have died
Only to find, I've come alive

Come alive

I've come alive
Oh oh oh oh
Oh oh oh
Oh oh oh oh

I wish I wasn't such a narcissist
I wish I didn't really kiss
The mirror when I'm on my own
Oh God, I'm gonna die alone

Adolescence didn't make sense
The little loss of innocence
The ugly years of being a fool
Ain't youth meant to be beautiful?

Yeah,
I wish I'd been, I wish I'd been, a teen, teen idle
Wish I'd been a prom queen, fighting for the title
Instead of being sixteen and burning up a bible
Feeling super, super, super suicidal

The wasted years, the wasted youth
The pretty lies, the ugly truth
And the day has come where I have died
Only to find, I've come alive

Only to find, I've come alive
Only to find, I've come alive

I'm alive
Feeling super, super, super
Feeling super, super, super

Felling super, super, super
I'm alive
