

# Freeze you out – Marina Kaye

You know I've been hurt before  
Yeah, you know the score and I know you want more  
You want me to thaw out  
But you know I get ice cold, I get cold  
When you don't go slow, but I know you want more  
You need me to thaw out

And I know you were worth it  
And I know this could work if  
I could only let you in  
But I'm freezing

I'm not running away  
I'm not running away  
I will feel the pain and stay  
I'm not running again  
I'm not running again  
Even though I'm scared, baby  
And I won't freeze you out  
Like I have been  
I won't freeze you out  
I'm gonna let you in  
And I won't freeze you out  
Like I have been  
I won't freeze you out  
My heart is melting

So here's my heart for you to hold  
Feel it beat, feel the warm blood flow through my cold  
Feel it thaw out  
Yeah, I've felt the fear but I push through  
It's so worth loving you, you wanted more  
And so I thawed out

And I know you were worth it  
And I know this could work if

I could only let you in  
But I'm freezing

I'm not running away  
I'm not running away  
I will feel the pain and stay  
I'm not running again  
I'm not running again  
Even though I'm scared, baby  
And I won't freeze you out  
Like I have been  
I won't freeze you out  
I'm gonna let you in  
And I won't freeze you out  
Like I have been  
I won't freeze you out  
My heart is melting

I won't freeze you out, my heart is melting  
I won't freeze you out, my heart is melting

I'm not running away  
I'm not running away  
I will feel the pain and stay  
I'm not running again  
I'm not running again  
Even though I'm scared, baby  
And I won't freeze you out  
Like I have been  
I won't freeze you out  
I'm gonna let you in  
And I won't freeze you out  
Like I have been  
I won't freeze you out  
My heart is melting
