

# She will be loved – Maroon 5

Beauty queen of only eighteen, She  
Had some trouble with herself

He was always there to help her, She  
Always belonged to someone else

I drove for miles and miles, And  
Wound up at your door

I've had you so many times but  
Somehow I want more

I don't mind spending everyday  
Out on your corner in the pouring rain

Look for the girl with the broken smile  
Ask her if she wants to stay awhile

And she will be loved  
She will be loved

Tap on my window knock on my door, I  
Want to make you feel beautiful

I know I tend to get so insecure  
It doesn't matter anymore

It's not always rainbows and butterflies  
It's compromise that moves us along

My heart is full and my door's always open  
You come anytime you want

I don't mind spending everyday  
Out on your corner in the pouring rain

Look for the girl with the broken smile  
Ask her if she wants to stay awhile

And she will be loved  
She will be loved  
And she will be loved  
She will be loved

I know where you hide  
Alone in your car

Know all of the things that make you who you are  
I know that goodbye  
Means nothing at all

Comes back and begs me  
To catch her every time she falls  
Yeah

Tap on my window knock on my door  
I want to make you feel beautiful

I don't mind spending everyday  
Out on your corner in the pouring rain

Look for the girl with the broken smile  
Ask her if she wants to stay awhile

And she will be loved  
She will be loved  
And she will be loved  
She will be loved

Please don't try so hard to say goodbye  
Please don't try so hard to say goodbye  
Please don't try so hard to say goodbye
