

She will be loved – Maroon 5

Beauty queen of only eighteen, She
Had some trouble with herself

He was always there to help her, She
Always belonged to someone else

I drove for miles and miles, And
Wound up at your door

I've had you so many times but
Somehow I want more

I don't mind spending everyday
Out on your corner in the pouring rain

Look for the girl with the broken smile
Ask her if she wants to stay awhile

And she will be loved
She will be loved

Tap on my window knock on my door, I
Want to make you feel beautiful

I know I tend to get so insecure
It doesn't matter anymore

It's not always rainbows and butterflies
It's compromise that moves us along

My heart is full and my door's always open
You come anytime you want

I don't mind spending everyday
Out on your corner in the pouring rain

Look for the girl with the broken smile
Ask her if she wants to stay awhile

And she will be loved
She will be loved
And she will be loved
She will be loved

I know where you hide
Alone in your car

Know all of the things that make you who you are
I know that goodbye
Means nothing at all

Comes back and begs me
To catch her every time she falls
Yeah

Tap on my window knock on my door
I want to make you feel beautiful

I don't mind spending everyday
Out on your corner in the pouring rain

Look for the girl with the broken smile
Ask her if she wants to stay awhile

And she will be loved
She will be loved
And she will be loved
She will be loved

Please don't try so hard to say goodbye
Please don't try so hard to say goodbye
Please don't try so hard to say goodbye
