

# Alone – Marshmello

I'm so alone  
Nothing feels like home  
I'm so alone  
Trying to find my way back home to you  
I'm so alone  
Nothing feels like home  
I'm so alone  
Trying to find my way back home to you  
I'm so alone  
Trying to find my way back home to you  
I'm so alone  
Nothing feels like home  
I'm so alone  
Trying to find my way back home to you  
I'm so alone  
Nothing feels like home  
I'm so alone  
Trying to find my way back home to you  
I'm so alone  
Trying to find my way back home to you
