Unfinished sympathy - Massive Attack

I know that I've imagined love before And how it could be with you Really hurt me, baby, really cut me, baby How can you have a day without a night? You're the book that I have opened And now I've got to know much more The curiousness of your potential kiss Has got my mind and body aching Like a soul without a mind In a body without a heart I'm missing every part He he-hey, he he-hey, ay, ay Aye, aye, aye, aye Like a soul without a mind In a body without a heart I'm missing every part Like a soul without a mind In a body without a heart I'm missing every part Like a soul without a mind In a body without a heart I'm missing every part (part, part, part)
