

I'd Do Anything For Love (But I Won't Do That) – Meat Loaf

And I would do anything for love
I'd run right into hell and back
I would do anything for love
I'll never lie to you and that's a fact
But I'll never forget the way you
Feel right now oh no, no way
And I would do anything for love
But I won't do that hah
No I won't do that
And some days it don't come easy
And some days it don't come hard
Some days it don't come at all
And these are the days that never end
And some nights you're breathing fire
And some nights you're carved in ice
Some nights you're like nothing I've ever
Seen before or will again
And maybe I'm crazy
Oh it's crazy and it's true
I know you can save me
No one else can save me now but you
As long as the planets are turning
As long as the stars are burning
As long as your dreams are coming true
You'd better believe it!
That I would do anything for love
Oh I would do anything for love
Oh I would do anything for love
But I won't do that
No I won't do that!
I would do anything for love
Anything you've been dreaming of
But I just won't do that!
I would do anything for love
Anything you've been dreaming of

But I just won't do
And someday I pray for silence
And someday I pray for soul
Somedays I just pray to The God of
Sex and Drums and Rock'n'Roll!
And maybe I'm lonely,
That's all I'm qualified to be
There's just one and only
One and only promise I can keep
As long as the wheels are turning
As long as the fires are burning
As long as your prayers are coming true
You'd better believe it!
That I would do anything for love
And you know it's true and that's a fact
And I would do anything for love
And there'll never be no turning back
But I'll never do it better
Than I do it with you
So long, So long
I would do anything for love
Oh I would do anything for lo-ove
I would do anything for love
But I won't do that
No I won't do that!
Will you raise me up? Will you help me down?
Will you get me right out
Of this Godforsaken town?
Will you make it all a little less cold?
I can do that
Oh I can do that
Will you cater to every fantasy I got?
Will you hose me down with holy water
If I get too hot?
Will you take me places I've never known?
I can do that!
Oh oh now I can do that!
I know the territory, I've been around
It'll all turn to dust
And we'll all fall down

Sooner or later you'll be screwing around!

I won't do that

No I won't do that

Anything for love

But I won't do that
