I'd Do Anything For Love (But I Won't Do That) – Meat Loaf

And I would do anything for love I'd run right into hell and back I would do anything for love I'll never lie to you and that's a fact But I'll never forget the way you Feel right now oh no, no way And I would do anything for love But I won't do that hah No I won't do that And some days it don't come easy And some days it don't come hard Some days it don't come at all And these are the days that never end And some nights you're breathing fire And some nights you're carved in ice Some nights you're like nothing I've ever Seen before or will again And maybe I'm crazy Oh it's crazy and it's true I know you can save me No one else can save me now but you As long as the planets are turning As long as the stars are burning As long as your dreams are coming true You'd better believe it! That I would do anything for love Oh I would do anything for love Oh I would do anything for love But I won't do that No I won't do that! I would do anything for love Anything you've been dreaming of But I just won't do that! I would do anything for love

Anything you've been dreaming of

But I just won't do And somedays I pray for silence And somedays I pray for soul Somedays I just pray to The God of Sex and Drums and Rock'n'Roll! And maybe I'm lonely, That's all I'm qualified to be There's just one and only One and only promise I can keep As long as the wheels are turning As long as the fires are burning As long as your prayers are coming true You'd better believe it! That I would do anything for love And you know it's true and that's a fact And I would do anything for love And there'll never be no turning back But I'll never do it better Than I do it with you So long, So long I would do anything for love Oh I would do anything for lo-ove I would do anything for love But I won't do that No I won't do that! Will you raise me up? Will you help me down? Will you get me right out Of this Godforsaken town? Will you make it all a little less cold? I can do that Oh I can do that Will you cater to every fantasy I got? Will you hose me down with holy water If I get too hot? Will you take me places I've never known? I can do that! Oh oh now I can do that! I know the territory, I've been around It'll all turn to dust And we'll all fall down

Sooner or later you'll be screwing around! I won't do that No I won't do that Anything for love But I won't do that
