

Same Heart – Mei Finegold

You filled me up
With poisoned love
You filled my soul
With sins
But I have learned to grow
Now,
Too many lies
Too many crimes
They're as long as the infinity
I'm starting to rise,
Don't need to criticize
I'm not an animal in captivity
I'm skinning you out
No longer apart
We don't beat from the same heart
I'm skinning you out
No longer apart
We don't beat from the same heart
We don't beat from the same heart
Ata shotek
Ani shvuya
Meto ch milim
Notzra dmama
Zman, lakum bli hashash
Levhoh mehadash
Ve-hashemesh titgale elay
Dam, boer lo nirdam
Hakoach be kam
Hahofesh kvar kore li lesham
Meto ch hadmama
El avir lenshima
Lo achsir od peima
Zman lkum velivhor
Shamaim ve or
Lo achsir od peima
And it's time for me to clean up your mess

I will take it without any regrets
And it's time for me to open my eyes
And to recognize
We don't beat from the same heart
I'm skinning you out
No longer apart
We don't beat from the same heart
I'm skinning you out
No longer apart
We don't beat from the same heart
I'm skinning you out
No longer apart
We don't beat from the same heart
I'm skinning you out
No longer apart
We don't beat from the same heart
We don't beat from the same heart
We don't beat from the same heart
We don't beat from the same heart
