

# First Day Of My Life – Melanie C

So I found a reason  
to stay alive  
Try a little harder  
see the other side  
Talking to myself  
Too many sleepless nights  
Trying to find a meaning  
to this stupid life  
I don't want your sympathy  
Sometimes I don't know who to be  
Hey what you looking for  
No one has the answer  
They just want more  
Hey who's gonna make it right  
This could be the first  
Day of my life  
So I found a reason  
To let it go  
Tell you that I'm smiling  
But I still need to grow  
Will I find salvation  
in the arms of love  
Will it stop me searching  
Will it be enough  
(haa haa)  
I don't want your sympathy  
(haa haa)  
Sometimes I don't know who to be  
Hey what you looking for  
No one has the answer  
but you just want more  
Hey who's gonna make it right  
This could be the first day of my life  
The first time to really feel alive  
The first time to break the chain  
The first time to walk away from pain

Hey what you looking for  
No one has the answer  
we just want more  
Hey who's gonna make it right  
This could be the first  
day of your life  
Hey what you looking for  
No one has the answer  
they just want more  
hooo jeeah  
Hey who's gonna shine alight?  
This could be the first  
day of my life
