

# Monday Morning – Melanie Fiona

Have you heard the news today  
I'm leaving town, I'm cashing out  
This town's too small for me to stay  
The time is now, I'm heading out

Baby, I still need ya but if you stay I'll leave ya  
'Cause I gotta get away  
And if I ever see ya, my heart is gonna bleed  
But I'm leaving either way

My darling baby, this is a warning  
Said that I'm leaving on Monday morning  
You'll get no answer, no use in calling  
Because I'm leaving on Monday morning

This flower needs somewhere to go  
No room to grow on these dusty roads  
I got two tickets and a dream  
Eight fifteen I'll save you a seat

Baby, I still need ya but if you stay I'll leave ya  
'Cause I gotta get away  
And if I ever see ya, my heart is gonna bleed  
But I'm leaving either way

My darling baby, this is a warning  
Said that I'm leaving on Monday morning  
You'll get no answer, no use in calling  
Because I'm leaving on Monday morning

Monday morning  
Monday morning  
Monday morning  
Not on Tuesday, baby

Baby, I still need ya but if you stay I'll leave ya

'Cause I gotta get away  
And if I ever see ya, my heart is gonna bleed  
But I'm leaving either way

My darling baby, this is a warning  
Said that I'm leaving on Monday morning  
You'll get no answer, no use in calling  
Because I'm leaving on Monday morning

Monday morning  
Monday morning  
This is your warning  
Monday morning  
Monday morning

Monday morning  
Monday morning  
Monday morning  
Monday morning

Monday morning  
Monday morning  
Monday morning
