Gingerbread Man - Melanie Martinez

I'm frosting

I don't need a man to make my life sweet

Prince charming

Iust isn't the one that I think I need

You're thirsty

You think I give out all my shit for free

I'm bursting

Out laughing at idiocy

I need a gingerbread man

The one I'll feed

A gingerbread man

The one I'll eat

One who's always crazy

Never calls me baby

That's the one that I want

All you boys are not him, not him

Can't you see?

I only want the ones who never see me

But I'm happy

I love playing these games

until my heart bleeds

It bleeds jelly

'Cause you don't want someone

To eat your cookie

Can someone please

Find him for me, find him for me?

I need a gingerbread man

The one I'll feed

A gingerbread man

The one I'll eat

One who's always crazy

Never calls me baby

That's the one that I want

All you boys are not him, not him

I'm the icing covering his body

I wanna hold him so close, so tightly

Baby, how do I say this politely?
Love me harder and don't be nice, please
I wanna feel your crumbs on my body
I want to break you in pieces, fight me
Baby, don't be so scared of biting
Want to eat each other into nothing
I need a gingerbread man
The one I'll feed
A gingerbread man
The one I'll eat
One who's always crazy
Never calls me baby
That's the one that I want
All you boys are not him, not him
