

Nurse's office – Melanie Martinez

Don't cut me punch me just let me go
Into the nurse's office where I float away
I'm pale as the loose leaf
Paper they grow
From hollowing out all my lungs in the snow
Yeah, I'm coughing
I'm bleeding
Band-aids won't heal it
Cause they hate me so I'm faking all of this
So they take me
Take me home-ome-ome
Give me that pink slip of permission
This is old I'm tired of wishing
I was ditching
[oooooh - ooh - ooh - o-oooh - ooh ooh - ooh]
Teacher,
Can I sit right there
This bitch behind me is cutting my hair
No,
Just sit your ass down at the chalkboard
You stare
I faked up a seizure and left then and there
Yeah, I'm coughing
I'm bleeding
Band-aids won't heal it
Cause they hate me
So I'm faking all of this
So they ta-take me
Take me home-ome-ome
Give me that pink slip of permison
This is old I'm tired of wishing
I was ditching
[oooooh - ooh - ooh - o-oooh - ooh ooh - ooh]
Take me home-ome-ome
give me that pink slip of permission
This is old I'm tired of wishing

I was ditching
Home-
Oooh Oooh Oooh
