

Recess – Melanie Martinez

I was too young to see the truth
In my grandma's lap
I'm drowning in her perfume
Too naive
To even care
Bout the words she whispered
While she brushed out my hair
People gonna say
If you need a break,
Someone will take your place
People gonna try
To tell you that you're fine
With dollars in their eyes
(Just remember)
Don't let them fuck you honey, no oh
Don't let them try
Don't let them hurt you baby, just say
Recess, I'm tired
Sitting in my room looking at all I've done
Everything I wanted has come to fruition
I should be happy, but I can't get out my bed
Stressing 'bout
the voices screaming inside my head
People gonna say
If you need a break,
someone will take your place
People gonna try
To tell you that you're fine,
with dollars in their eyes
(Just remember)
Don't let them fuck you honey, no oh
Don't let them try
Don't let them hurt you baby, just say
Recess, I'm tired
Where is my time gone in my mind
Gone I can't find

euphoria

When I get upset I think in my head

Back to what she said

People gonna say

If you need a break,

Someone will take your place

People gonna try

To tell you that you're fine

With dollars in their eyes

(Just remember)

Don't let them fuck you honey, no oh

Don't let them try

Don't let them hurt you baby, just say

Recess, I'm tired
