

Hands Up – Meovv

I gillo galge we gata
See above okay
We back on track
Imi baekbeonjjae nareul dead it
Tteugeoun haetbitcheoreom lit it
Samadhi, we burn again
Ne wireul bwa, you can't deny
Makim eopji, deo mutjima
Do what you please, geochimeopge
Don't cross the li-li-li-li-li-li-li-line
One, two, three, set it off
Try and catch up, supyeong neomeoro
Nopi yong soseum chyeo
Mabeopgateun purr
Irae jeorae haedo neon
'Bout it, 'bout that, no, you not
So what we gonna do?
I see you, look at me now
Hands up
Crack the sky open, put your hands up
Break the sky, let the water fall
Son wirot dabeul mollado
Throw it up, what you wanna do?
Hands up
Crack the sky open, put your hands up
Break the sky, let the water fall
Son wirot dabeul mollado
Throw it up, what you wanna do?
I gillo galge we gata
See above okay
We back on track
Imi baekbeonjjae nareul dead it
Tteugeoun haetbitcheoreom lit it
Samadhi, we burn again
Provocation ain't nothing new to me
Hwidulleo bwa ne nokseun sword

Jiltu gadeukan admiration
Self-affirmation, yet still unsure
Beonijeok tteuilgeoya du nuni
Me and my girls you dealin' with
So arittaun killin', janinhan willin'
Hands up, who the real villain?
Nae anui bulssideul won't let it die
Kkeojijin ankesseo, I will survive
Irae jeorae haedo neon
'Bout it, 'bout that, no, you not
So what we gonna do?
I see you, look at me now
Hands up
Crack the sky open, put your hands up
Break the sky, let the water fall
Son wirot dabeul mollado
Throw it up, what you wanna do?
Hands up
Crack the sky open, put your hands up
Break the sky, let the water fall
Son wirot dabeul mollado
Throw it up, what you wanna do?
Bultaneun maeum da taewobwa
Eochapi tto pieonal tenikka
Ije dasi geoseulleo wirot araero
Da dwijibeo
Let that drum go, rum-pu-pu-pum
