## Enter Sandman – Metallica

Say your prayers little one Don't forget, my son To include everyone

Tuck you in, warm within Keep you free from sin Till the sandman he comes

Sleep with one eye open Gripping your pillow tight

Exit, light
Enter, night
Take my hand
We're off to never-never land

Somethings wrong, shut the light Heavy thoughts tonight And they aren't of Snow White Dreams of war, dreams of liars Dreams of dragon's fire And of things that will bite

Sleep with one eye open Gripping your pillow tight

Exit, light
Enter, night
Take my hand
We're off to never-never land hehe hea
(solo)
Now I lay me down to sleep
'Now I lay me down to sleep'
I pray the Lord my soul to keep
'I pray the Lord my soul to keep'
If I die before I wake

'If I die before I wake'
I pray the lord my soul to take
'I pray the lord my soul to take'

Hush little baby, don't say a word And never mind that noise you heard It's just the beasts under your bed In your closet, in your head

Exit, light
Enter, night
Grain of sand

Exit, light
Enter, night
Take my hand
We're off to never-never land

Ooh yeah, Yeah!

We're off to never-never land Take my hand We're off to never-never land Take my hand

We're off to never-never land Take my hand We're off to never-never land Take my hand
