

# Sabba Cadabra – Metallica

Feel so good I feel so fine  
Love that little lady always on my mind  
She gives me lovin' every night and day  
Never gonna leave her  
Never going away  
Someone to love me  
You know she makes me feel alright  
Someone to needs me  
Love me every single night  
Feel so happy since I met that girl  
When we're making love  
It's something out of this world  
Feels so good to know that she's all mine  
Going to love that woman till the end of time  
Someone to live for  
Love me till the end of time  
She make me feel happy  
Good to know that she's all mine  
I am the world that hides  
The universal secret of all time  
Destruction of the empty spaces  
Is my one and only crime  
I've lived a thousand times  
I found out what it means to be believed  
The thoughts and images  
The unborn child that never was conceived  
Ya gotta believe me  
Hey! I'm talking to you!  
Well I know its hard for you  
To know the reason why  
And I know you'll understand  
More when it's time to die  
Don't believe the life you have  
Will be the only one  
You have to let your body sleep  
To let your soul live on Ha ha!

Whoa  
Feel so happy since I met that girl  
When we're making love  
It's something out of this world  
Feels so good to know that she's all mine  
Going to love that woman till the end of time  
Someone to live for  
Love me till the end of time  
She make me feel happy  
Good to know that she's all mine  
She's all mine, yeah  
Yo-oh, yeah
