Sabbra Cadabra – Metallica

Feel so good I feel so fine Love that little lady always on my mind She gives me lovin' every night and day Never gonna leave her Never going away Someone to love me You know she makes me feel alright Someone to needs me Love me every single night Feel so happy since I met that girl When we're making love It's something out of this world Feels so good to know that she's all mine Going to love that woman till the end of time Someone to live for Love me till the end of time She make me feel happy Good to know that she's all mine I am the world that hides The universal secret of all time Destruction of the empty spaces Is my one and only crime I've lived a thousand times I found out what it means to be believed The thoughts and images The unborn child that never was conceived Ya gotta believe me Hey! I'm talking to you! Well I know its hard for you To know the reason why And I know you'll understand More when it's time to die Don't believe the life you have Will be the only one You have to let your body sleep

To let your soul live on Ha ha!

Whoa
Feel so happy since I met that girl
When we're making love
It's something out of this world
Feels so good to know that she's all mine
Going to love that woman till the end of time
Someone to live for
Love me till the end of time
She make me feel happy
Good to know that she's all mine
She's all mine, yeah
Yo-oh, yeah
