

The Day That Never Comes – Metallica

Born to push you 'round
Better just stay down
You pull away, he hits the flesh,
You hit the ground
Mouth so full of lies
Tend to black your eyes
Just keep them closed, keep praying,
Just keep waiting
Waiting for the one
The day that never comes, ah
When you stand up and feel the warmth
But the sunshine never comes, no
No, the sunshine never comes
Push you cross that line
Just stay down this time
Hide in yourself, crawl in yourself,
You'll have your time
God, I'll make them pay
Take it back one day
I'll end this day,
I'll splatter color on this gray
Waiting for the one
The day that never comes, ah
When you stand up and feel the warmth, huh
But the sunshine never comes
Love is a four letter word
And never spoken here
Love is a four letter word
Here in this prison
I suffer this no longer
I'll put an end to this, I swear
This, I swear, the sun will shine
This, I swear! This, I swear!
This! I! Swear!
