

# To love somebody – Michael Bolton

There's a light

A certain kind of light

That never shone on me

I want my life to be

Lived with you, lived with you

There's a way

Everybody say

To do each and every little thing

But what does it bring

If I ain't got you, ain't got

You don't know what it's like

Baby, you don't know what it's like

To love somebody, to love somebody

The way I love you

In my brain

I see your face again

I know my frame of mind

You ain't got to be so blind

And I'm blind, so very blind

I'm a man

Can't you see what I am

I live and breathe for you

But what good does it do

If I ain't got you, ain't got you

Oh yeh

You don't know what it's like

Baby you don't know what it's like

To love somebody, to love somebody

To love somebody oh yeh

To love somebody  
The way I love you  
You don't know, you don't know  
To love somebody, to love somebody  
You don't know, ooh  
To love somebody, to love somebody  
The way I love you
