## Blue Moon - Michael Buble

Blue moon You saw me standing alone Without a dream in my heart Without a love of my own Blue moon You knew just what I was there for You heard me saying a prayer for Someone I really could care for And then, there suddenly appeared Before me The only one my arms will ever hold I heard somebody whisper, "Please, adore me" And when I looked, the moon had Turned to gold Blue moon Now, I'm no longer alone Without a dream in my heart Without a love of my own Blue moon You saw me standing alone Without a dream in my heart Without a love of my own Blue moon You knew just what I was there for You heard me saying a prayer for Someone I really could care for And then, there suddenly appeared before me The only one my arms will ever hold I heard somebody whisper, "Please, adore me" And I looked, the moon had turned To gold Blue moon Now, I'm no longer alone
