

Cry me a river – Michael Buble

Now you say you're lonely
You cry the whole night through
Well, you can cry me a river, cry me a river
I cried a river over you
And now you say you're sorry
For being so untrue
Well, you can cry me a river, cry me a river
'Cause I cried a river over you
You drove me nearly out of my head
While you never shed a tear, babe
Remember, I remember all that you said
You told me love was too plebeian
Told me you were through with me
Now you say you love me
Well, just to prove that you do
Come on and cry me a river, oh, cry me a riv
I cried a river over you, I cried a river ove
I cried a river, now you can too
Cry me a river, cry me a river
