

# Home – Michael Buble

Another summer day has come and gone away  
In Paris and Rome, but I wanna go home  
May be surrounded by a million people, I  
Still feel all alone, just wanna go home  
Oh I miss you, you know

And I've been keeping all the letters  
That I wrote to you  
Each were a line or two,  
"I'm fine baby, how are you?"  
I would send them but I know that  
It's just not enough  
My words were cold and flat  
And you deserve more than that

Another aeroplane, another sunny place  
I'm lucky, I know, but I wanna go home  
I got to go home  
Let me go home  
I'm just too far from where you are  
I wanna come home

And I feel just like I'm living  
someone else's life  
It's like I just stepped outside  
When everything was going right  
And I know just why you  
Could not come along with me  
This was not your dream,  
but you always believed in me

Another winter day has come and gone away  
In either Paris or Rome, and I wanna go home  
Let me go home  
And I'm surrounded by a million people, I  
Still feel alone

Let me go home  
Oh I miss you, you know

Let me go home  
I've had my run, baby I'm done  
I've gotta go home  
Let me go home

It'll all be alright  
I'll be home tonight  
I'm coming back home
