

# Somewhere There's a Someone – Michael Buble

Somewhere there's a someone for everyone  
Somewhere there's a someone for me  
Though I may be lonely now  
I'll see it through somehow  
To someone's heart I know I hold the key  
Somewhere there's a someone for everyone  
Somewhere there's a someone for me  
And I'll search my whole life through  
Until I find a love that's true  
For I know somewhere there's a someone  
For me  
(Somewhere) (Somewhere)  
And I'll search my whole life through  
Until I find a love that's true  
For I know somewhere there's a someone for me  
For I know somewhere there's a someone  
For me
