Somewhere There's a Someone - Michael Buble

Somewhere there's a someone for everyone Somewhere there's a someone for me Though I may be lonely now I'll see it through somehow To someone's heart I know I hold the key Somewhere there's a someone for everyone Somewhere there's a someone for me And I'll search my whole life through Until I find a love that's true For I know somewhere there's a someone For me (Somewhere) (Somewhere) And I'll search my whole life through Until I find a love that's true For I know somewhere there's a someone for me For I know somewhere there's a someone

For me
