

# To Love Somebody – Michael Buble

There's a light,  
A certain kind of light  
That never shone on me  
I want my life to be  
Lived with you,  
Lived with you  
There's a way, everybody say,  
To do each and every little thing  
But what does it bring  
If I ain't got you,  
If I ain't got you?  
Baby, you don't know what it's like  
Baby, you don't know what it's like  
To love somebody,  
To love somebody,  
The way I love you  
In my brain  
I see your face again  
And I know my frame of mind  
You ain't got to be so blind  
And I'm blind, yeah I'm blind  
But I'm a man,  
Can't you see what I am?  
And I live and breathe for you  
Oh, but what does it do  
If I ain't got you,  
If I ain't got you?  
Baby, you don't know what it's like  
Baby, you don't know what it's like  
To love somebody,  
To love somebody,  
The way I love you  
Oh baby, you don't know what it's like  
Yeah, you don't know what it's like  
Yeah, you don't know what it's like  
Baby, you don't know what it's like

To love somebody,  
To love somebody,  
The way I love you  
To love somebody,  
To love somebody,  
The way I love you
