

# **Ease On Down The Road – Michael Jackson & Diana Ross**

Come on and  
Ease on down  
Ease on down the road  
Come on  
Ease on down  
Ease on down the road  
Don't you carry nothing that might be a load  
Come on  
Ease on down, ease on down, down the road  
Come on  
Ease on down  
Ease on down the road  
Come on  
Ease on down  
Ease on down the road  
Don't you carry nothing that might be a load  
Come on  
Ease on down, ease on down, down the road  
Pick your left foot up  
When your right foot's down  
Come on  
Legs keep movin'  
Don't you lose no ground  
You just keep on keepin'  
On the road that you choose  
Don't you give up walkin'  
'cause you gave up shoes, no  
Come on  
Ease on down  
Ease on down the road  
Come on  
Ease on down  
Ease on down the road  
Don't you carry nothing that might be a load  
Come on

Ease on down

Ease on down the road

'Cause there may be times

When you think you lost your mind

And the steps you're takin' leave you three,

Four steps behind

But the road you're walkin'

Might be long sometimes

You just keep on steppin'

And you'll be just fine, yeah

Ease on down

Ease on down the road

Come on

Ease on down

Ease on down the road

Don't you carry nothing that might be a load

Come on

Ease on down

Ease on down the

Cause there may be times

When you wish you wasn't born

And you wake one mornin' just to find

Your courage gone

But just know that feelin' only lasts

A little while

You just stick with us and we'll

Show you how to smile yeah

Get 'em up, on down (ease on down)

Get 'em up, on down (ease on down)

Get 'em up, on down (ease on down)

Get 'em up, on down (ease on down the road)

Get 'em up, on down (ease on down)

Get 'em up, on down (ease on down)

Get 'em up, on down (ease on down)

Get 'em up, get em up (ease on down the road)

Get 'em up, on down (ease on down)

Get 'em up, on down (ease on down)

Get 'em up, on down (ease on down)

Get 'em up, on down (ease on down the road)

Get 'em up, on down (ease on down)

Get 'em up, on down (ease on down)

Get em up, on down
