

History – Michael Jackson

Keep, keep, keep,
K-k-keep movin'
He got kicked in the back
He say that he needed that
He hot willed in the face
Keep daring to motivate
He say one day you will see
His place in world history
He dares to be recognized
The fire's deep in his eyes
How many victims must there be
Slaughtered in vain across the land?
And how many struggles must there be
Before we choose to live the prophet's plan?
Everybody sing
Every day create your history
Every path you take you're leaving your
Legacy
Every soldier dies in his glory
Every legend tells of conquest and liberty
Keep movin'
Keep, keep, keep, k-k-keep movin'
Don't let no one get you down
Keep movin' on higher ground
Keep flying until
You are the king of the hill
No force of nature can break
Your will to self motivate
She say this face that you see
Is destined for history
How many people have to cry
The song of pain and grief across the land?
And how many children have to die
Before we stand to lend a healing hand?
Everybody sing
Every day create your history

Every path you take you're leaving your
Legacy
Every soldier dies in his glory
Every legend tells of conquest and liberty
Every day create your history (history)
Every page you turn you're writing your
Legacy
Every hero dreams of chivalry (chivalry)
Every child should sing together in harmony
All nations sing
Let's harmonize all around the world
How many victims must there be
Slaughtered in vain across the land?
And how many children must we see
Before we learn to live as brothers
Before we learn to love our family?
(Every day create your history)
History
(Every path you take you're leaving your
Legacy)
Legacy
(Every soldier dies in his glory)
His glory
(Every legend tells of conquest and liberty)
And liberty, now
(Every day create your history)
History
(Every page you turn you're writing your
Legacy)
(Every hero dreams of chivalry)
All around the world we sing
(Every child should sing together in
Harmony)
