I can't help it - Michael Jackson

Looking in my mirror Took me by surprise I can't help but see you Running often through my mind Helpless like a baby Sensual disguise I can't help but love you It's getting better all the time I can't help it if I wanted to I wouldn't help it even if I could I can't help it if I wanted to I wouldn't help it, no I can't help it if I wanted to I wouldn't help it even if I could I can't help it if I wanted to I wouldn't help it, no Love to run my fingers Softly while you sigh Love came and possessed you Bringing sparkles to your eyes Like a trip to heaven Heaven is the prize And I'm so glad I found you girl You're an angel in disguise I can't help it if I wanted to I wouldn't help it even if I could I can't help it if I wanted to I wouldn't help it, no I can't help it if I wanted to I wouldn't help it even if I could I can't help it if I wanted to I wouldn't help it, no I can't help it if I wanted to I wouldn't help it even if I could I can't help it if I wanted to I wouldn't help it, no

I can't help it if I wanted to
I wouldn't help it even if I could
I can't help it if I wanted to
I wouldn't help it, no
I can't help it if I wanted to
I wouldn't help it even if I could
I can't help it if I wanted to
I wouldn't help it, no
I can't help it if I wanted to
I wouldn't help it even if I could
I can't help it if I wanted to
I wouldn't help it even if I could
I can't help it if I wanted to
I wouldn't help it, no,no,no,no
I wouldn't help it, no,no,no,no
