

Man in the mirror (piano cover) – Michael Jackson

I'm gonna make a change
For once in my life
It's gonna feel real good
Gonna make a difference
Gonna make it right
As I turn up the collar on
My favorite winter coat
This wind is blowing my mind
I see the kids in the street
With not enough to eat
Who am I to be blind
Pretending not to see their needs?
A summer's disregard
A broken bottle top
And a one man's soul
They follow each other on the wind you know
'Cause they got nowhere to go
That's why I want you to know
I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer
If you wanna make the world a better place
Take a look at yourself
And then make a change (nananana)
I've been a victim of
A selfish kind of love
It's time that I realize
That there are some with no home
Not a nickel to loan
Could it be really me
Pretending that they're not alone?
A willow deeply scarred
Somebody's broken heart
And a washed-out dream
They follow the pattern of the wind

You see
'Cause they got no place to be
That's why I'm starting with me
I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer
If you wanna make the world a better place
Take a look at yourself
And then make a change
I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer
If you wanna make the world a better place
Take a look at yourself
And then make that change
I'm starting with the man in the mirror
I'm asking him to change his ways
No message could have been any clearer
If you wanna make the world a better place
Take a look at yourself
And then make the change
You gotta get it right
While you got the time
'Cause when you close your heart
You can't close your your mind
It's gonna feel real good
It,s gonna
It's gonna
It's gonna feel real good yeah
