## Man in the mirror (piano cover) – Michael Jackson

I'm gonna make a change

For once in my life

It's gonna feel real good

Gonna make a difference

Gonna make it right

As I turn up the collar on

My favorite winter coat

This wind is blowing my mind

I see the kids in the street

With not enough to eat

Who am I to be blind

Pretending not to see their needs?

A summer's disregard

A broken bottle top

And a one man's soul

They follow each other on the wind you know

'Cause they got nowhere to go

That's why I want you to know

I'm starting with the man in the mirror

I'm asking him to change his ways

And no message could have been any clearer

If you wanna make the world a better place

Take a look at yourself

And then make a change (nananana)

I've been a victim of

A selfish kind of love

It's time that I realize

That there are some with no home

Not a nickel to loan

Could it be really me

Pretending that they're not alone?

A willow deeply scarred

Somebody's broken heart

And a washed-out dream

They follow the pattern of the wind

You see 'Cause they got no place to be That's why I'm starting with me I'm starting with the man in the mirror I'm asking him to change his ways And no message could have been any clearer If you wanna make the world a better place Take a look at yourself And then make a change I'm starting with the man in the mirror I'm asking him to change his ways And no message could have been any clearer If you wanna make the world a better place Take a look at yourself And then make that change I'm starting with the man in the mirror I'm asking him to change his ways No message could have been any clearer If you wanna make the world a better place Take a look at yourself And then make the change You gotta get it right While you got the time 'Cause when you close your heart You can't close your your mind It's gonna feel real good It,s gonna It's gonna
