

You Are Not Alone – Michael Jackson

Another day has gone
I'm still all alone
How could this be?
You're not here with me
You never said goodbye
Someone tell me why
Did you have to go?
And leave my world so cold?
Every day I sit and ask myself
How did love slip away?
Something whispers
In my ear and says
That you are not alone
I am here with you
Though you're far away
I am here to stay
You are not alone
I am here with you
Though we're far apart
You're always in my heart
You are not alone
Alone, alone
Why? Alone
Just the other night
I thought I heard you cry
Asking me to come
And hold you in my arms
I can hear your prayers
Your burdens I will bear
But first I need your hand
Then forever can begin
Every day I sit and ask myself
How did love slip away?
Something whispers
In my ear and says
But you are not alone

I am here with you
Though you're far away
I am here to stay
You are not alone
I am here with you
Though we're far apart
You're always in my heart
You are not alone
Ooh, whisper three words and I'll
come running, fly
And girl you know that I'll be there
I'll be there
But you are not alone
I am here with you
Though you're far away
I am here to stay
You are not alone
I am here with you
Though we're far apart
You're always in my heart
But you are not alone
You are not alone
I am here with you
I am here with you
Though you're far away
Though you're far away, you and me
You are always in my heart
