

You Are Not Alone – Michael Jackson

Another day has gone
I'm still all alone
How could this be?
You're not here with me

You never said goodbye
Someone tell me why
Did you have to go?
And leave my world so cold?

Every day I sit and ask myself
How did love slip away?
Something whispers
In my ear and says

That you are not alone
I am here with you
Though you're far away
I am here to stay

You are not alone
I am here with you
Though we're far apart
You're always in my heart

You are not alone
Alone, alone
Why?
Alone

Just the other night
I thought I heard you cry
Asking me to come
And hold you in my arms

I can hear your prayers

Your burdens I will bear
But first I need your hand
Then forever can begin

Every day I sit and ask myself
How did love slip away?
Something whispers
In my ear and says

But you are not alone
I am here with you
Though you're far away
I am here to stay

You are not alone
I am here with you
Though we're far apart
You're always in my heart

You are not alone

Oh, whisper three words and I'll come running, fly
And girl you know that I'll be there
I'll be there

But you are not alone
I am here with you
Though you're far away
I am here to stay

You are not alone
I am here with you
Though we're far apart
You're always in my heart

But you are not alone
You are not alone
I am here with you
I am here with you
Though you're far away

Though you're far away, you and me

You are always in my heart

Though we're far apart

You're always in my heart

You are not alone
