

Throwback – Michael Patrick Kelly

We sang a song from the '70s
You talked to me like a melody
And we were dreamers chasing the sky
I just want a throwback
When I used to know that
You and I were co-stars, oh, my, my, my
I just wanna go back to the magic moment
When I used to know that you're mi-mi-mine
Oh, she's got that you know what
She's got that, oh, my God
Need a throwback when I used to know that
You and I were co-stars, oh, my, my, my
We sang a song from the '70s
You talked to me like a melody
And we were dreamers chasing the sky
So high, so high, yeah
We danced along to an evergreen
Still in my head like a symphony
Oh, we were dreamers chasing the sky
I just want a throwback
When I used to know that
You and I were co-stars, oh, my, my, my
I just wanna go back to the magic moment
When I used to know that you're mi-mi-mine
Oh, she's got that you know what
She's got that, oh, my God
Need a throwback when I used to know that
You and I were co-stars, oh, my, my, my
Oh my, my, my
We sang a song from the '70s
You talked to me like a melody
And we were dreamers chasing the sky
So high, so high, yeah
We danced along to an evergreen
Still in my head like a symphony
Oh, we were dreamers chasing the sky

She got hair like gold
And eyes like the summer
Danced all night to Carlos Santana
Stole my heart, a dream like no other
High, so high, so high, yeah
She got hair like gold
And eyes like the summer
Danced all night to Carlos Santana
And we were dreamers chasing the sky
