

You said you'd grow old with me – Michael Schulte

I'd like to say I'm okay
But i'm not
I try but I fall
Close my mind, turn it off

But i can't be sober,
I cannot sleep
You've got your peace now,
But what about me?

Thought we had the time,
Had our lives,
Now you'll never get older, older
Didn't say goodbye,
Now i'm frozen in time,
Getting colder, colder

One last word,
One last moment
To ask you why
You left me here behind

You said you'd grow old with me

We had plans,
We had visions,
Now i can't see ahead
We were one, we were golden
Forever you said

But i can't be sober,
I cannot sleep
You've got your peace now,
But what about me?

Thought we had the time,
Had our lives,
Now you'll never get older, older
Didn't say goodbye,
Now i'm frozen in time,
Getting colder, colder

One last word,
One last moment
To ask you why
You left me here behind

You said you'd grow old with me

Thought we had the time,
Had our lives,
Now you'll never get older, older
Didn't say goodbye,
Now i'm frozen in time,
Getting colder, colder

Just one last word,
One last moment,
To ask you why
You left me here behind

You said you'd grow old with me
