

# You said you'd grow old with me – Michael Schulte

I'd like to say I'm okay  
But i'm not  
I try but I fall  
Close my mind, turn it off

But i can't be sober,  
I cannot sleep  
You've got your peace now,  
But what about me?

Thought we had the time,  
Had our lives,  
Now you'll never get older, older  
Didn't say goodbye,  
Now i'm frozen in time,  
Getting colder, colder

One last word,  
One last moment  
To ask you why  
You left me here behind

You said you'd grow old with me

We had plans,  
We had visions,  
Now i can't see ahead  
We were one, we were golden  
Forever you said

But i can't be sober,  
I cannot sleep  
You've got your peace now,  
But what about me?

Thought we had the time,  
Had our lives,  
Now you'll never get older, older  
Didn't say goodbye,  
Now i'm frozen in time,  
Getting colder, colder

One last word,  
One last moment  
To ask you why  
You left me here behind

You said you'd grow old with me

Thought we had the time,  
Had our lives,  
Now you'll never get older, older  
Didn't say goodbye,  
Now i'm frozen in time,  
Getting colder, colder

Just one last word,  
One last moment,  
To ask you why  
You left me here behind

You said you'd grow old with me
