

# Chameleon – Michela

I'm bluer than the ocean  
I'm golden like the rising sun and  
I'm red with hot emotion

And when they try to ho-oh-ld me down  
Inside a box, I find my way out  
I'm keepin' it in motion

When life brings me trouble, this I know  
I never walk away, na na  
Walk away, na na  
We are technicolor, watch us go  
We never walk away, na na  
Just stay with me now

Chame-Chameleon  
Chame-Chameleon  
Chame-Chameleon  
(Yalla yalla la la la)

Chame-Chameleon  
Chame-Chameleon  
Chame-Chameleon  
(Yalla yalla la la la)

The grass is always greener  
When you love me deeper, darlin'  
I can be your jungle

So when they try to ho-oh-ld me down  
Inside a box, I find my way out  
I'm keepin' it emotion, oh-oh, oh

When life brings me trouble, this I know  
I never walk away, na na  
Walk away, na na

We are technicolor, watch us go  
We never walk away, na na  
Jut stay with me now

Chame-Chameleon  
Chame-Chameleon  
Chame-Chameleon  
(Yalla la la la)

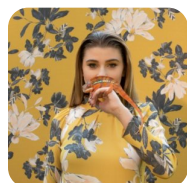

Give me water, I'm a swimmer  
Give me fire, I'm a fighter  
Give me love, I'm your lover  
(Yalla la la la)

Make me cry, I'll be a river  
Take my heart, I'll be a giver  
I can change like the weather  
(Yalla la la la)

When life brings me trouble, this I know  
I never walk away, na na  
Walk away, na na  
We are technicolor, watch us go  
We never walk away, na na  
I never walk away, no no

Give me water, I'm a swimmer  
Give me fire, I'm a fighter  
Give me love, I'm your lover

When life brings me trouble, this I know  
I never never walk away, na na  
Never walk away, na na  
Chame-chameleon
