## Hard for me – Michele Morrone

You keep telling me that I am free to go But I am addicted to you It's a lie It's a lie It's a lie

When I'm not here, you're alone Can you walked by your own Don't you lie Don't you lie Don't you lie

And I think you should know That I won't let you go It was like a million times I am singing a lullaby And I think you should know That I won't let it go I thought that I wasn't enough But I don't wanna say goodbye And I think you should know It was hard to say

Every minute that we spent together Doesn't matter for you It's a lie It's a lie You're a liar

Every time you wanna walk the door I don't blame you I don't blame you

And I think you should know That I won't let you go It was like a million times I am singing a lullaby And I think you should know That I won't let you go I thought that it was enough But I don't wanna say goodbye And I think you should know And I think you should know

Hard for me Hard for me It's hard for me Hard for me It's hard for me Hard for me Hard for me It's hard for me
