Hard for me - Michele Morrone

You keep telling me that I am free to go But I am addicted to you It's a lie It's a lie It's a lie

When I'm not here, you're alone Can you walked by your own Don't you lie Don't you lie Don't you lie

And I think you should know
That I won't let you go
It was like a million times
I am singing a lullaby
And I think you should know
That I won't let it go
I thought that I wasn't enough
But I don't wanna say goodbye
And I think you should know
It was hard to say

Every minute that we spent together Doesn't matter for you It's a lie It's a lie You're a liar

Every time you wanna walk the door I don't blame you I don't blame you

And I think you should know That I won't let you go It was like a million times I am singing a lullaby
And I think you should know
That I won't let you go
I thought that it was enough
But I don't wanna say goodbye
And I think you should know
And I think you should know

Hard for me
Hard for me
It's hard for me
Hard for me
Hard for me
It's hard for me
