

Moonlight Shadow (piano) – Mike Oldfield feat Maggie Reilly

The last that ever she saw him
Carried away by the moonlight shadow
He passed on worried and warning
Carried away by the moonlight shadow
Lost in a riddle that Saturday night
Far away on the other side
He was caught in the middle
Of a desperate fight
And she couldn't find how to push through
The trees that whisper in the evening
Carried away by the moonlight shadow
Sing a song of sorrow and grieving
Carried away by the moonlight shadow
All she saw was a silhouette of a gun
Far away on the other side
He was shot six times by a man on the run
She couldn't find how to push through
I stay, I pray
See you in heaven far away
I stay and I pray
See you in heaven one day
4 am in the morning
Carried away by the moonlight shadow
As I watched your vision forming
Carried away by the moonlight shadow
Stars move slowly in a silvery night
Far away on the other side
Will you come to talk to me this night
But she couldn't find how to push through
I stay, I pray
See you in heaven far away
I stay, I pray
See you in heaven one day
Caught in the middle of a hundred and five
Far Away on the other side

The night was heavy and the air was alive
She couldn't find how to push through
Carried away by the moonlight shadow
Carried away by the moonlight shadow
