

Foreign Affair – Mike Oldfield

(Ty) Foreign affair
Take a trip in the air
To a tropical beach,
An island to reach
A new territory
For an intimate story,
A lagoon by la mer
It's a foreign affair
(Ja) Drifting and free
On a mystical sea
A wishful emotion,
A drop in the ocean
A hush in the air
You can feel anywhere
In the cool twilight
On a tropical night
(Razem) Floating on air
Foreign affair
(Ja) A magical potion,
A cool locomotion
(A magical potion,)
A dream,
(A cool locomotion)
A prayer
(It's a foreign affair!)
(Razem) Floating on air
Foreign affair
(Ja) A magical potion,
A cool locomotion
(A magical potion,)
A dream,
(A cool locomotion)
A prayer
(It's a foreign affair!)
(Ja) Foreign affair
Take a trip in the air
