

Silent Running – Mike+The Mechanics

Take the children and yourself
And hide out in the cellar
By now the fighting will be close at hand
Don't believe the church and state
And everything they tell you
Believe in me, I'm with the high command
Can you hear me, can you hear me running?
Can you hear me running, can you hear me
Calling you?
Can you hear me, can you hear me running?
Can you hear me running, can you hear me
Calling you?
There's a gun and ammunition
Just inside the doorway
Use it only in emergency
Better you should pray to God
The Father and the Spirit
Will guide you and protect from up here
Can you hear me, can you hear me running?
Can you hear me running, can you hear me
Calling you?
Can you hear me, can you hear me running?
Can you hear me running, can you hear me
Calling you?
Swear allegiance to the flag
Whatever flag they offer
Never hint at what you really feel
Teach the children quietly
For some day sons and daughters
Will rise up and fight while we stand still
Can you hear me, can you hear me running?
Can you hear me running, can you hear me
Calling you?
Can you hear me, can you hear me running?
Can you hear me running, can you hear me
Calling you?

Can you hear me, can you hear me running
(can you hear me calling you?)
Can you hear me hear running,
Can you hear me
Calling you?
(Can you hear me running) Can hear me
Running
(can you hear me calling you)?
Can you hear me
Hear me calling you
(Can you hear me running) hear me running,
Babe
Can you hear me running (hear me running)
Calling you
