Silent Running – Mike+The Mechanics

Take the children and yourself And hide out in the cellar By now the fighting will be close at hand Don't believe the church and state And everything they tell you Believe in me, I'm with the high command Can you hear me, can you hear me running? Can you hear me running, can you hear me Calling you? Can you hear me, can you hear me running? Can you hear me running, can you hear me Calling you? There's a gun and ammunition Just inside the doorway Use it only in emergency Better you should pray to God The Father and the Spirit Will guide you and protect from up here Can you hear me, can you hear me running? Can you hear me running, can you hear me Calling you? Can you hear me, can you hear me running? Can you hear me running, can you hear me Calling you? Swear allegiance to the flag Whatever flag they offer Never hint at what you really feel Teach the children quietly For some day sons and daughters Will rise up and fight while we stand still Can you hear me, can you hear me running? Can you hear me running, can you hear me Calling you? Can you hear me, can you hear me running? Can you hear me running, can you hear me Calling you?

Can you hear me, can you hear me running (can you hear me calling you?) Can you hear me hear running, Can you hear me Calling you? (Can you hear me running) Can hear me Running (can you hear me calling you)? Can you hear me Hear me calling you (Can you hear me running) hear me running, Babe Can you hear me running (hear me running) Calling you
