

# Angels Like You – Miley Cyrus

Mmm, mmm, mmm  
Flowers in hand, waiting for me  
Every word in poetry  
Won't call me by name, only baby  
The more that you give, the less that I need  
Everyone says I look happy  
When it feels right  
I know that you're wrong for me  
Gonna wish we never met on the day I leave  
I brought you down to your knees  
'Cause they say that misery loves company  
It's not your fault I ruin everything  
And it's not your fault I can't be what you  
need  
Baby, angels like you can't fly down hell  
With me  
I'm everything they said I would be  
La-la-la  
I'm everything they said I would be  
I'll put you down slow, love you goodbye  
Before you let go, just one more time  
Take off your clothes, pretend that it's fine  
A little more hurt won't kill you  
Tonight, mother says, "You don't look happy"  
Close your eyes  
I know that you're wrong for me  
Gonna wish we never met on the day I leave  
I brought you down to your knees  
'Cause they say that misery loves company  
It's not your fault I ruin everything  
And it's not your fault I can't be what you  
Need  
Baby, angels like you can't fly down hell  
With me  
I'm everything they said I would be  
I know that you're wrong for me

Gonna wish we never met on the day I leave  
I brought you down to your knees  
'Cause they say that misery loves company  
It's not your fault I ruin everything  
And it's not your fault I can't be what you  
need  
Baby, angels like you can't fly down hell  
With me, oh  
Angels like you can't fly down hell with me
